GUARANTEE POLICY
The Lodge at Spruce Peak must be notified of the exact number of persons attending the function at least (72) hours prior to the function. Attendance for Monday/Tuesday activities must be received by the preceding Thursday morning. This minimum number of guests will be considered a guarantee for which The Lodge at Spruce Peak will charge even if fewer guests attend. If a final guarantee is not provided by the Customer, the expected attendance figure last provided to the Customer will be the guarantee. A reasonable increase on the guaranteed attendance will be accepted up to 24 hours before the function. However, The Lodge at Spruce Peak will not be obligated to serve more than five (5%) percent over the guarantee. Food is prepared for the guaranteed number, but the charge will be the price per person in attendance if more than the guarantee. For a last minute increase over the guarantee, The Lodge at Spruce Peak may not be able to serve the same entrée as selected for the guaranteed group.

SERVICE CHARGE & TAX
A 23% service charge will be assessed to all of your bills from The Lodge at Spruce Peak to offset administrative expense for supervisory, sales and other banquet personnel. All products are subject to prevailing taxes. Currently guestrooms, meeting rooms and food are subject to 10% tax. Alcoholic beverages are subject to 11% tax. Audiovisual and other items are subject to 6% tax. Please note 7.5% of service charges are subject to 10% tax.

The Lodge at Spruce Peak liquor license enables the Hotel to served alcoholic beverages on property only.

Menu selections and beverage requirements are to be finalized and forwarded to the Catering Department no later than four weeks prior to the Function date. Without this advance ordering notice, selected items cannot be guaranteed.

Special dietary substitutes can be made available by prior request. Menu arrangements must be supplied and finalized at least 30 days prior to each function. Should this deadline not be observed, we cannot guarantee menu contents and other necessary arrangements.

SIGNS & DECORATIONS
All displays and/or decorations proposed by the group will be subject to the prior written approval of The Lodge at Spruce Peak. Signs and banners are not allowed in the resort’s public areas. In regard to the group’s meeting space, all signs must be professionally printed and their placement and posting be pre-approved by the Conference Services Department. Nothing shall be posted, nailed, screwed or otherwise attached to walls, floors, or other parts of the building or furniture. Distribution of gummed stickers or labels is strictly prohibited. If the Group desires to hang or adhere posters, banners, flip chart paper or other material in meeting rooms, sleeping rooms or public space, your conference service manager must be notified of this request in advance, and will assist the Group with the request in order to avoid damages to rooms, walls, etc. Any damage to The Lodge at Spruce Peak as a result of not having prior approval will be billed to the Group.

LIQUOR POLICY
In an effort to make your event memorable, as well as safe, the following policies will be enforced as a part of our Responsible Vendor practices and as a part of our hotel policies:

The Lodge at Spruce Peak must provide all liquor served and consumed in our function facilities or restaurants.

The legal drinking age in Vermont is 21 years old. Per our policy all guests that appear to be under the age of 30 must have their identification checked. The Vermont Liquor Laws require proof of age upon request from our staff. Proof of age requires a picture ID that is valid and meets the requirements of Vermont Liquor Law.

Under no circumstances may adults provide alcohol for an underage person.

We will not serve anyone who is deemed by our staff to be intoxicated. Nor can anyone purchase alcohol for anyone that has been deemed intoxicated by our staff.

No more than one drink may be in front of any guest at any time with the exception of bottled dinner wine.

We do not allow “shots” at any of the The Lodge at Spruce Peak Bars.

Violation of any of the above policies may result in the discontinuation of alcohol service to the entire function.

Our staff is professionally trained and certified in all situations of alcohol service. Please allow them to provide safe and prudent beverage service to your guests.
