

SPRUCE PEAK

STOWE, VT

About Spruce Peak

Spruce Peak is Vermont's most elevated luxury slopeside community. Located at the base of Stowe's iconic Mount Mansfield, it serves as the center of a uniquely Vermont mountain culture. Celebrating our 15th year, Spruce Peak has become a year-round destination to eat, drink, relax, play, and live. Spruce Peak sets the stage for memories; at its heart it is a charming Village Center that is heated and cooled by the largest geothermal field in northern Vermont. The Village offers immediate access to ski lifts and four-season adventures, a state-of-the-art 420-seat performing arts center, an award-winning Bob Cupp - designed golf course and a nearly 10,000-square-foot seasonal outdoor ice rink that transforms into a vibrant Village Green in the spring and summer months. Central to the Village is The Lodge at Spruce Peak – Stowe's only ski-in ski-out luxury hotel – and a members-only club with a refined and elegant 20,000-square-foot clubhouse. For those seeking something more indulgent, there is a pampering spa with outdoor pools and a fitness center, and locally inspired dining and retail destinations. Spruce Peak is an Audubon-certified sustainable community, inspired by our alpine location to be engaged stewards of 2,000 acres of preserved Vermont land.
