ABOUT WHISTLEPIG

OUR VISION

There's a lot to learn from the past. But we believe the best era for Whiskey is in front of us. We are constantly pushing ourselves to try new things and to unlock the potential of Rye Whiskey. We protect what makes Rye Whiskey great, toss out the rest, and then innovate to make it better.

OUR STORY

WhistlePig began when we purchased our farm in 2007. After a few years of deep consideration and personal reflection we committed ourselves to crafting the world's finest and most interesting Rye Whiskeys. With help from Master Distiller Dave Pickerell, we discovered and purchased an incredible stock of 10 year old blending Whiskey in Canada that was being profoundly misused. That initial stock, for which we are forever grateful, is what kicked off our grand adventure.

OUR FARM

Our remote 500 acre hard-working farm in bucolic Shoreham, Vermont, is the perfect place to perfect our experiments with blending and finishing, ultimately leading to a portfolio of deeply complex Rye Whiskeys. Not to mention the 20 acres of maple trees we tap for syrup.

VERMONT OAK

The wood innovation we are proudest of is our Vermont Oak Barrels made from trees harvested directly from our farm and the surrounding area. Vermont is about as far north as oak trees can grow. The shorter growing seasons leads to oak trees with more growth rings. When aging Whiskey encounters a growth ring in a barrel it imparts flavor, so our Vermont Oak barrels, with custom chars & toasts designed by Dave Pickerell, bring tremendous depth and complexities to our Ryes.

SINGLE POURS

1.5oz

- SINGLE BARREL PIGGY BACK** 18
Spruce Peaks very own barrel of Piggyback 100% Rye features spicy flavors of cinnamon and black peppercorn, cocoa and leather and has a lovely lengthy finish of baking spice, vanilla and zesty citrus.
- FARMSTOCK** 23
Sweet and aromatic, with Vanilla, Maraschino, Roasted Chestnuts and hints of Cigar Box. On the palate, Oak, Toffee and Baking Spices followed by soft notes of Creme Brulee and Rose Petals. Finishing with a warm rye spice.
- SUMMERSTOCK (LIMITED)** 25
Wheat and Rye finished in toasted Solera Barrels. The nose has flavors of sweet maple and a hint of vanilla. The palate shows oak, baking spice and more maple softened by the wheat with a slightly jammy finish.
- 10 YEAR** 28
Nose of honey & sweet caramel. Vanilla-heavy initially, before caramel, rye spice & orange come through. The finish lingers with allspice & cardamom.
- 12 YEAR OLD WORLD BARREL SELECT** 35
The nose rides in on waves of toffee & stewed plums, a lovely balance of sweet, spicy & herbal flavors. But it's the peppery, spicy kick that dominates the finish.
- 15 YEAR** 75
Warm amber in color with subtle leather notes in the nose, but primarily characterized by oak & vanilla. Honeysuckle is strong in the initial taste with a heavy rye presence on the mid-palate. The lingering finish is full of tobacco & cardamom.
- 18 YEAR** 95
These grains form a harmony that spans the flavor spectrum, at once soft and floral, rich and savory, and full of spice. Its complexity is only heightened after 18 years in the barrel.
- THE BOSS HOG IX: SIREN'S SONG** 165
This edition starts with notes of orange blossom and dried fruits. The palate tastes of cinnamon and clove moving into brown sugar and black cherry and finishing with jammy fig and classic rye spice.
- THE BOSS HOG X: THE COMMANDMENTS** 185
Twice seasoned in American oak infused with resins from frankincense and myrrh followed by craft mead casks, this edition shows notes of honey, ginger and roasted cashew on the nose, followed by red berry, bright citrus and raisin on the palate and finishing with freshly ground pepper and wood.
- BÊHÔLDEN 21 YEAR SINGLE MALT (LIMITED)** . 415
The first ever super-aged North American Single Malt which is finished in WhistlePig Rye Barrels, has notes of rich maple, dried fruits, savory spice and a subtle smoke.
